

ADCO Global Divests Auto Replacement Glass Adhesives Business

March 8, 2010

ADCO Global announced today the sale of its North American automotive replacement glass (ARG) adhesives business to Sika Corporation. The sale includes assets and customer relationships dedicated to ADCO's ARG business, in addition to the expected transfer of certain members of ADCO's sales staff to new positions with Sika.

The transaction completes the divestiture of a business determined to be outside ADCO's operating priorities and objectives for market leadership positions. Following this sale, ADCO will continue to pursue strategic growth and investment in its core construction, alternative energy, and transportation platforms.

ADCO Global is a leading supplier of specialty adhesives, sealants, tapes and coatings serving Construction, Transportation and Industrial markets throughout the world via its operating subsidiaries ADCO Products, Inc., in North America and KÖMMERLING Chemische Fabrik GmbH in Europe, Africa and Asia. ADCO is a leader in developing specialized solutions for insulating glass, window assembly, commercial roofing, solar panel, bus/truck/trailer/RV, automotive, marine, civil engineering, telecommunications and general construction applications.
